

Streamlined Country Exit Processes (UKRAINE & CANADA)

Benefits

We ensure you enjoy your long-awaited parenthood rather than getting stressed in dealing with embassies and other foreign officials. A shorter wait time to exit means less time off work for working dads, less accommodation and living costs in a foreign country:

We assist heterosexual couples, single parents & same-sex couples.

We can

- Facilitate legal assistance from independent senior family lawyers
- Draft declarations / affidavits / surrogacy agreements to meet specific standards.
- Provide advice and guidance on relevant government documents, processes and appointment procedures.
- Assist in obtaining birth certificate / apostille stickers / Translation of local documents.
- Complete and file forms related to citizenship and passport
- Collect documents, complete administrative work & documents delivery
- Obtain documentation required by civic agencies
- Assist in gaining passports for newborn baby/ies
- Represent IPs at Embassies and Consulates
- Interpret relevant government policies and procedures
- Facilitate DNA and Medical records / evidence

Led by Poonam Jain, International Star Assistance Pvt. Ltd. (ISAPL) is an established global company servicing intended parents, embassies and insurers. We leverage our unsurpassed knowledge of embassy requirements and procedures to facilitate fast, legal exit processes following surrogacy arrangements.

We have many years experience in working with embassies and facilitating exit for Australian newborns from India, Nepal, Thailand & Cambodia and have assisted citizens of 34+ countries in this specialized area.

Organisation Background

Poonam Jain has established herself as the “go to” international expert in relation to stress-free exits from countries such as Ukraine, India, Thailand, Cambodia and Nepal by facilitating impeccable documentation that meets Embassy requirements.

Capitalising on her 20+ years working in the embassy environment, Poonam brings much experience in serving foreign nationals. She leverages the best collaborative partnerships across the globe, assisting families with professionalism and expertise to ensure a seamless process.

Costs	Single Child	AU\$1,500
	Twins	AU\$2,200
